There are incredible ocean views from many of these condominium units located on an prime bluff location in Princeville. There is a nice mixture of one and two bedroom suites. This resort is considered a top destination for visitors because of access to Hideaways Beach, gorgeous sunsets, on site restaurant and expansive greenbelts.

Pali Ke Kua Resort was built in three phases that began in 1973. Ninety nine units are surrounded by lovely greenbelts on approximately 12 acres. Most units have been extensively remodeled.

Amenities include a swimming pool, paved beach path and beach pavilion. Be aware that the winding paved walkway that takes you down to the tide pools and Hideaways Beach is challenging.

This location is a short 4 to 5 minute drive to the Princeville Shopping Center which has restaurants and many types of shops. It is also a 10 to 15 minute drive to the famous sandy beaches at Hanalei Bay

Buildings have both upper and lower units and some two story townhomes with both garden and ocean views
